Attached:

- Appeal Procedure Addendum
- Schedule of Benefits
- Schedule of Exclusions and Limitations
**DEFINITIONS**

Certain terms used throughout this Certificate begin with capital letters. When these terms are capitalized, use the following definitions to understand their meanings as they pertain to Your benefits and the way the dental plan works.

**Certificate Holder(s)** - An individual who has enrolled him/herself and his/her Dependents for dental coverage and for whom Premium payments are due and payable. Also referred to as “You” or “Your” or “Yourself”.

**Certificate of Insurance (“Certificate”)** - This document, including riders, schedules, addenda and/or endorsements, if any, which describes the coverage purchased from the Company by the Policyholder. A copy of the Certificate will be provided for each Certificate Holder.

**Coinsurance** - Those remaining percentages or dollar amounts of the Maximum Allowable Charge for a Covered Service that are the responsibility of either the Certificate Holder or his/her enrolled Dependents after the Plan pays the percentages or dollar amounts shown on the Schedule of Benefits for a Covered Service.

**Company** - United Concordia, the insurer. Also referred to as “We”, “Our” or “Us”.

**Coordination of Benefits (“COB”)** - A method of determining benefits for Covered Services when the Member is covered under more than one plan to prevent duplication of payment so that no more than the incurred expense is paid.

**Cosmetic** - Those procedures which are undertaken primarily to improve or otherwise modify the Member's appearance.

**Covered Service(s)** - A service or supply specified in this Certificate and the Schedule of Benefits for which benefits will be covered subject to the Schedule of Exclusions and Limitations, when rendered by a dentist, or any other duly licensed dental practitioner under the scope of the individual’s license when state law requires independent payment to such practitioners.

**Deductible(s)** - A specified amount of expenses set forth in the Schedule of Benefits for Covered Services that must be paid by the Member before the Company will pay any benefit.

**Dependent(s)** - Certificate Holder's enrolled spouse and their dependents, and any enrolled child, adoptive child, stepchild, or grandchild of a Certificate Holder, or an enrolled child subject to a court order or placed by an administrative agency with a Certificate Holder:

(a) until the end of the month the child reaches the limiting age of 26; or
(b) to any age beyond the limiting age listed above if the child is and continues to be both incapable of self-sustaining employment by reason of mental or physical incapacity and chiefly dependent upon the Certificate Holder for maintenance and support.

For a child under the limiting age listed above, the following factors will not affect eligibility to enroll as a Dependent: financial dependency on or residency with the Certificate Holder; marital status; student status; employment; eligibility to enroll for coverage under another policy or contract; or any combination of these factors.

**Effective Date** - The date on which the Group Policy begins or coverage of enrolled Members begins.

**Exclusion(s)** - Services, supplies or charges that are not covered under the Group Policy as stated in the Schedule of Exclusions and Limitations.

**Experimental or Investigative** - The use of any treatment, procedure, facility, equipment, drug, or drug usage device or supply which the Company, determines is not acceptable standard dental treatment of the condition being treated, or any such items requiring federal or other governmental agency approval which was not granted at the time the services were rendered. The Company will rely on the advice of the general dental community including, but not limited to dental consultants, dental journals and/or governmental regulations, to make this determination.
**Grace Period** - A grace period of 31 days will be granted for payment of each Premium due after the first Premium, unless We do not intend to renew the policy beyond the period for which Premium has been accepted. Notice of the intention not to renew will be delivered to the Policyholder at least 45 days prior to the due date of the Premium. During the grace period, the Policy shall remain in force.

**Group Policy** - The agreement between the Company and the Policyholder, under which the Certificate Holder is eligible to enroll.

**Limitation(s)** - The maximum frequency or age limit applied to a Covered Service set forth in the Schedule of Exclusions and Limitations incorporated by reference into this Certificate.

**Maximum(s)** - The greatest amount the Company is obligated to pay for all Covered Services rendered during a specified period as shown on the Schedule of Benefits.

**Maximum Allowable Charge** - The maximum amount the Plan will allow for a specific Covered Service. Maximum Allowable Charges may vary depending upon the contract between the Company and the particular Participating Dentist rendering the service. Depending upon the Plan purchased by the Policyholder, Maximum Allowable Charges for Covered Services rendered by Non-Participating Dentists may be the same or higher than such charges for Covered Services rendered by Participating Dentists in order to help limit out-of-pocket costs of Members choosing Non-Participating Dentists.

**Member(s)** - Certificate Holder(s) and their Dependent(s).

**Non-Participating Dentist** - A dentist who has not signed a contract with the Company or an affiliate of the Company.

**Order** - A ruling that is issued by a court of this State or another state or an administrative agency of another state; and creates or recognizes the right of a child to receive benefits under a parent’s health coverage or establishes a parent’s obligation to pay child support and provide health insurance coverage for a child.

**Participating Dentist** - A dentist who has executed a Participating Dentist Agreement with the Company or an affiliate of the Company, under which he/she agrees to accept the Company’s Maximum Allowable Charges as payment in full for Covered Services.

**Plan** - Dental benefits pursuant to this Certificate and attached Schedule of Exclusions and Limitations and Schedule of Benefits.

**Policyholder** - Organization that executes the Group Policy. Also referred to as “Your Group”.

**Premium** - Payment that the Policyholder must remit to the Company in exchange for coverage of the Policyholder’s Members.

**Renewal Date** - The date on which the Group Policy renews. Also known as anniversary date.

**Schedule of Benefits** - Attached summary of Covered Services, Plan payment percentages, Deductibles, Waiting Periods and Maximums applicable to benefits payable under the Plan.

**Schedule of Exclusions and Limitations** - Attached list of Exclusions and Limitations applicable to benefits, services, supplies or charges under the Plan.

**Termination Date** - The date on which the dental coverage ends for a Member or the Group Policy terminates.

**Waiting Period(s)** - A period of time a Member must be enrolled under the Group Policy before benefits will be paid for Covered Services as shown on the attached Schedule of Benefits.
ELIGIBILITY AND ENROLLMENT – WHEN COVERAGE BEGINS

New Enrollment

If You have already satisfied Your Group’s eligibility requirements when the Group Policy begins and Your enrollment information is supplied to Us, Your coverage and Your Dependents’ coverage will begin on the Effective Date of the Group Policy provided We receive the Premium.

If You join the Group or become employed after the initial Effective Date of the Group Policy, in order to be eligible to enroll, You must first satisfy any eligibility requirements of Your Group. Your Group will inform You of these requirements.

You must supply the required enrollment information on Yourself and Your Dependents within 31 days of the date You meet these requirements. Your Dependents must also meet the requirements detailed in the definition of Dependent in the Definitions section of this Certificate.

Your coverage and Your Dependents’ coverage will begin on the date specified in the enrollment information supplied to Us provided Premium is paid.

The Company is not liable to pay benefits for any services started prior to a Member’s Effective Date of coverage. Multi-visit procedures are considered “started” when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. Procedures started prior to the Member’s Effective Date are the liability of the Member or a prior insurance carrier.

Enrollment Changes

Continuous open enrollment is available without evidence of insurability to: (a) Your spouse and children for 6 months after Your spouse loses coverage under another group plan due to involuntary termination of employment (not for cause); and (b) Your children for 6 months after a child loses coverage under Your spouse’s group plan due to spouse’s death. Eligible new employees, Members or Dependents may be added periodically to the Group Policy in accordance with its terms.

In addition, if a parent is subject to a court or administrative Order creating or recognizing a right of a child to receive benefits under the parent’s health insurance coverage, then continuous open enrollment is available to: (a) You and Your Dependent child as to whom the Order applies; or (b) the non-insuring parent, the Child Support Enforcement Agency, or the Department of Health and Mental Hygiene for enrollment on behalf of the Dependent child.

We will provide to the non-insuring parent membership cards, claim forms, and any other information necessary to obtaining benefits for insurance coverage for the Dependent child. We will process claim forms and make appropriate payment to the non-insuring parent, dental provider or Department of Health and Mental Hygiene if the non-insuring parent incurs expenses for dental care for the Dependent child. We will not disenroll or eliminate health insurance coverage for a Dependent child unless written evidence is provided to the Us that: (a) the Order is no longer in effect; (b) Your Group has eliminated family health coverage; or (c) You are no longer enrolled with Your Group subject, however, to the rights of You and/or Your Dependent child under the Consolidated Omnibus Budget Reconciliation act of 1985 (COBRA).

Late Enrollment

If You or Your Dependents are not enrolled within 31 days of initial eligibility or a life change event, You or Your Dependents cannot enroll until the next open enrollment period conducted for Your Group unless otherwise required by applicable state or federal law or permitted by Your Group under the rules of its benefit plans. If You are required to provide coverage for a Dependent child pursuant to a court order, You will be permitted to enroll the Dependent child without regard to enrollment season restrictions.
HOW THE DENTAL PLAN WORKS

Choice of Provider

You may choose any licensed dentist for services. However, Your out-of-pocket costs will vary depending upon whether or not Your dentist participates with United Concordia. If You choose a Participating Dentist, You may limit Your out-of-pocket cost. Participating Dentists agree by contract to accept Maximum Allowable Charges as payment in full for Covered Services. Participating dentists also complete and send claims directly to Us for processing. To find a Participating Dentist, visit Find a Dentist on Our website at www.unitedconcordia.com or call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate.

If You go to a dentist who is not a United Concordia Participating Dentist, You may have to pay the dentist at the time of service, complete and submit Your own claims and wait for Us to make payment to You. You will be responsible for the dentist’s full charge which may result in higher out-of-pocket costs for You.

When You visit the dental office, let Your dentist know that You are covered under a United Concordia program and give the dental office Your contract ID number and group number. If Your dentist has questions about Your eligibility or benefits, instruct the office to call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate or visit Dental Inquiry on Our website at www.unitedconcordia.com.

Claims Submission

Upon completion of treatment, the services performed must be reported to Us in order for You to receive benefits. This is done through submission of a paper claim or electronically. Participating Dentists will report services to Us directly for You and Your Dependents.

Most dental offices submit claims or report services for patients. However, if You do not receive treatment from a Participating Dentist, You may have to complete and send claims to Us in the event the dental office will not do this for You. To obtain a claim form, visit the Members link on our website at www.unitedconcordia.com. Be sure to include on the claim:

- the patient’s name
- date of birth
- Your contract ID number
- patient’s relationship to You
- Your name and address
- the name and policy number of a second insurer if the patient is covered by another dental plan.

Your dentist should complete the treatment and provider information or supply an itemized receipt for You to attach to the claim form. Send the claim form or predetermination to the address in the Introduction section of this Certificate.

For orthodontic treatment, if covered under the Plan, an explanation of the planned treatment must be submitted to Us. Upon review of the information, We will notify You and Your dentist of the payment schedule, frequency of payment over the course of the treatment, and Your share of the cost.

Should You have any questions concerning Your coverage, eligibility or a specific claim, contact Us at the address and telephone number in the Introduction section of this Certificate or log onto My Dental Benefits at www.unitedconcordia.com.

Predetermination

A predetermination is a review in advance of treatment by Us to determine patient eligibility and coverage for planned services. Predetermination is not required to receive a benefit for any service under the Plan. However, it is recommended for extensive, more costly treatment such as crowns and bridges. A
predetermination gives You and Your dentist an estimate of Your coverage and how much Your share of the cost will be for the treatment being considered.

To have services predetermined, You or Your dentist should submit a claim showing the planned procedures but leaving out the dates of services. Be sure to sign the predetermination request. Substantiating material such as radiographs and periodontal charting may be requested by Us to estimate benefits and coverage. We will determine benefits payable, taking into account Exclusions and Limitations including alternate treatment options based upon the provisions of the Plan. We will notify you of the estimated benefits.

When the services are performed, simply have Your dentist call Our Interactive Voice Response System at the telephone number in the Introduction section of this Certificate, or fill in the dates of service for the completed procedures on the predetermination notification and re-submit it to Us for processing. Any predetermination amount estimated is subject to continued eligibility of the patient. We may also make adjustments at the time of final payment to correct any mathematical errors, apply coordination of benefits, and comply with Your Plan in effect and remaining program Maximum dollars on the date of service.

**Notice of Claim**

Written notice of claim must be given to Company within twenty days after the occurrence or commencement of the loss covered by the certificate, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Member or the beneficiary, to the Company at the address as noted in the Introduction section of the Certificate or to any authorized agent of the Company, with information sufficient to identify the Member, shall be deemed notice to the Company.

**Claims Forms**

Company, upon receipt of a notice of claim, will furnish to the Member such forms as are usually furnished by Company for filing claims. If such forms are not furnished within fifteen days after the giving of such notice, the Member shall be deemed to have complied with the required time for filing a claim, upon submitting written proof of the occurrence and a written statement of the nature and extent for which the claim is being made.

**Proofs of Loss**

Written proof of loss must be furnished to Company at its said office in case of claim for loss for which this Certificate provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which the Company is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than 1 year from the time proof is otherwise required.

**Time of Payment of Claims**

All benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid no later than 30 days from receipt of due written proof of such loss.

**BENEFITS**

**Schedule of Benefits**

Your benefits are shown on the attached Schedule of Benefits. The Schedule of Benefits shows:

- the classes and groupings of dental services covered, shown with a “Plan Pays” percentage greater than “0%”. 

• the percentage of the Maximum Allowable Charges the Plan will pay.
• any Waiting Periods that must be satisfied for particular services before the Plan will pay benefits. Waiting Periods are measured from date of enrollment in the Plan.
• any Deductibles You and/or Your family must pay before any benefits for Covered Services will be paid by the Plan, and the Covered Services for which there is no deductible. The Deductible is applied only to expenses for Covered Services and on either a calendar year or contract year basis (yearly period beginning with the Effective Date of the Group Policy).
• any Maximums for Covered Services for a given period of time; for example, annual for most services and lifetime for orthodontics. Annual Maximums are applied on either a calendar or contract year basis.

Your Out-of-Pocket Costs

In order to keep the Plan affordable for You and Your Group, the Plan includes certain cost-sharing features. If the class or service grouping is not covered under the Plan, the Schedule of Benefits will indicate either “not covered” or “Plan Pays -- 0%”. You will be responsible to pay Your dentist the full charge for these uncovered services.

Classes or service groupings shown with “Plan Pays” percentages greater than 0% but less than 100% require you to pay a portion of the cost for the Covered Service. For example, if the Plan pays 80%, Your share or Coinsurance is 20% of the Maximum Allowable Charge. You are also responsible to pay any Deductibles, charges exceeding the Plan Maximums or charges for Covered Services performed before satisfaction of any applicable Waiting Periods.

Services

The general descriptions below explain the services on the Schedule of Benefits. The descriptions are not all-inclusive – they include only the most common dental procedures in a class or service grouping. Specific dental procedures may be shifted among groupings or classes or may not be covered depending on Your Group’s choice of Plan. Check the Schedule of Benefits attached to this Certificate to see which groupings are covered (“Plan Pays percentage greater than “0%”). Also, have Your provider call Us to verify coverage of specific dental procedures or log on to My Dental Benefits or Dental Inquiry at www.unitedconcordia.com check coverage. Services covered on the Schedule of Benefits are also subject to Exclusions and Limitations. Be sure to review the Schedule of Exclusions and Limitations also attached to this Certificate.

Exclusions and Limitations

Services indicated as covered on the Schedule of Benefits are subject to frequency or age Limitations detailed on the attached Schedule of Exclusions and Limitations. The existence of a Limitation on the Schedule of Exclusions and Limitations does not mean the service is covered under the Plan. Before reviewing the Limitations, You must first check the Schedule of Benefits to see which services are covered. No benefits will be provided for services, supplies or charges detailed under the Exclusions on the Schedule of Exclusions and Limitations.

Payment of Benefits

If You have treatment performed by a Participating Dentist, We will pay covered benefits directly to the Participating Dentist. Both You and the dentist will be notified of benefits covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. Payment will be based on the Maximum Allowable Charge the treating Participating Dentist has contracted to accept.

If You receive treatment from a Non-Participating Dentist, We will send payment for covered benefits to You unless You indicate on the claim that You wish payment to be sent directly to Your treating dentist. You will be notified of the services covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. The Plan payment will be based on the Maximum Allowable Charges for the services. You will be responsible to pay the dentist any difference between the Plan’s payment and the dentist’s full charge for the services.

The Company does not disclose claim or eligibility records except as allowed or required by law and then in accordance with federal and state law. The Company maintains physical, electronic, and procedural safeguards to guard claims and eligibility information from unauthorized access, use, and disclosure.

Overpayments

When We make an overpayment for benefits, We have the right to recover the overpayment either from You, from the person to whom it was paid, or from the dentist to whom the payment was made on behalf of the Member. We will recover the overpayment either by requesting a refund or offsetting the amount overpaid from future claim payments. Recovery will be done in accordance with any applicable state laws or regulations.

Coordination of Benefits (COB)

If You or Your Dependents are covered by any other dental plan and receive a service covered by this Plan and the other dental plan, benefits will be coordinated. This means that one plan will be primary and determine its benefits before those of the other plan and without considering the other plan's benefits. The other plan will be secondary and determine its benefits after the primary plan. The secondary plan’s benefits may be reduced because of the primary plan's payment. Each plan will provide only that portion of its benefit that is required to cover expenses. This prevents duplicate payments and overpayments. Upon determination of primary or secondary liability, this Plan will determine payment.

1. The following words and phrases regarding the Coordination of Benefits ("COB") provision are defined as set forth below:

   A) Allowable Amount is the Plan’s allowance for items of expense, when the care is covered at least in part by one or more Plans covering the Member for whom the claim is made.

   B) Claim Determination Period means a benefit year. However, it does not include any part of a year during which a person has no coverage under this Plan.

   C) Other Dental Plan is any form of coverage which is separate from this Plan with which coordination is allowed. Other Dental Plan will be any of the following which provides dental benefits, or services, for the following: Group insurance or group type coverage, whether insured
or uninsured. It also includes coverage other than school accident type coverage (including grammar, high school and college student coverages) for accidents only, including athletic injury, either on a twenty-four (24) hour basis or on a "to and from school basis," or group or group type hospital indemnity benefits of $100 per day or less.

D) **Primary Plan** is the plan which determines its benefits first and without considering the other plan's benefits. A plan that does not include a COB provision may not take the benefits of another plan into account when it determines its benefits.

E) **Secondary Plan** is the plan which determines its benefits after those of the other plan (Primary Plan). Benefits may be reduced because of the other plan's (Primary Plan) benefits.

F) **Plan** means this document including all schedules and all riders thereto, providing dental care benefits to which this COB provision applies and which may be reduced as a result of the benefits of other dental plans.

2. The fair value of services provided by the Company will be considered to be the amount of benefits paid by the Company. The Company will be fully discharged from liability to the extent of such payment under this provision.

3. In order to determine which plan is primary, this Plan will use the following rules.

A) If the other plan does not have a provision similar to this one, then that plan will be primary.

B) If both plans have COB provisions, the plan covering the Member as a primary insured is determined before those of the plan which covers the person as a Dependent.

C) **Dependent Child/Parents Not Separated or Divorced** -- The rules for the order of benefits for a Dependent child when the parents are not separated or divorced are:
   1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;
   2) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;
   3) The word "birthday" refers only to month and day in a calendar year, not the year in which the person was born;
   4) If the other plan does not follow the birthday rule, but instead has a rule based upon the gender of the parent; and if, as a result, the plans do not agree on the order of benefits, the rule based upon the gender of the parent will determine the order of benefits.

D) **Dependent Child/Separated or Divorced Parents** -- If two or more plans cover a person as Dependent child of divorced or separated parents, benefits for the child are determined in this order:
   1) First, the plan of the parent with custody of the child.
   2) Then, the plan of the spouse of the parent with the custody of the child; and
   3) Finally, the plan of the parent not having custody of the child.

E) **Active/Inactive Member**
   1) For actively employed Members and their spouses over the age of 65 who are covered by Medicare, the plan will be primary.
   2) When one contract is a retirement plan and the other is an active plan, the active plan is primary. When two retirement plans are involved, the one in effect for the longest time is primary. If another contract does not have this rule, then this rule will be ignored.

F) If none of these rules apply, then the contract which has continuously covered the Member for a longer period of time will be primary.

G) The plan covering an individual as a COBRA continuee will be secondary to a plan covering that individual as a Member or a Dependent.
4. **Right to Receive and Release Needed Information** -- Certain facts are needed to apply these COB rules. The Company has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Any health information furnished to a third party will be released in accordance with federal law. Each person claiming benefits under This Plan must give any facts needed to pay the claim.

5. **Facility of Payment** -- A payment made under another plan may include an amount which should have been paid under this Plan. If it does, the Company may pay the amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan, and the Company will not pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the services prepaid by the Company.

6. **Right of Recovery** -- If the payment made by the Company is more than it should have paid under this COB provision, the Company may recover the excess from one or more of the following: (1) persons it has paid or for whom it has paid; or (2) insurance companies; or (3) other organization. Members are required to assist the Company to implement this section.

**Workers’ Compensation**

When a Member is eligible for Workers’ Compensation benefits through employment, the cost of dental treatment for an injury which arises out of and in the course of Member's employment is not a covered benefit under this Plan. Therefore, if the Company pays benefits which are covered by a Workers’ Compensation policy, the Company has the right to obtain payment for those benefits paid. The Member must provide any assistance necessary, including furnishing information and signing necessary documents, for the Company to receive the payment.

**Review of a Benefit Determination**

If You are not satisfied with the Plan’s benefit, please contact Our Customer Service Department at the toll-free telephone number in the Introduction section of this Certificate. If, after speaking with a Customer Service representative, You are still dissatisfied, refer to the Appeal Procedure Addendum attached to this Certificate for further steps You can take regarding Your claim.
TERMINATION -- WHEN COVERAGE ENDS

Your coverage and/or Your Dependents’ coverage will end:

- on the date You lose eligibility under Your Group’s eligibility requirements; or
- on the date Premium payment ceases for You and/or Your Dependents, as specified by your Group; or
- on the date Your Dependent(s) cease to meet the requirements in the definition of Dependent in the Definitions section of this Certificate;

If Your coverage or Your Dependents’ coverage is terminated as described above, coverage for completion of a dental procedure requiring two or more visits on separate days will be extended for a period of 90 days after the Member’s Termination Date in order for the procedure to be finished. This provision includes orthodontic treatment. The procedure must be started prior to the Member’s Termination Date. The procedure is considered “started” when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. For orthodontic treatment, We will provide covered benefits, in accordance with the policy in effect at the time Your coverage terminates, for 60 days after the date coverage terminates if Your provider has agreed to or is receiving monthly payments, or until the later of 60 days after the date coverage terminates or the end of the quarter in progress if Your provider has agreed to accept or is receiving payments on a quarterly basis.

If Your coverage ends, Your Dependents’ coverage will end on the same date. If the Group Policy is cancelled, Your coverage and Your Dependents’ coverage will end on the Group Policy Termination Date.

In the event of a default in Premium payment by the Policyholder, coverage will remain in effect for the Grace Period extended for payment of the overdue Premium. If the Premium is not received by the end of the Grace Period, the Group Policy will be cancelled and coverage will terminate the first day following the end of the Grace Period. If We do not intend to renew the Policy beyond the period for which Premium has been accepted notice of the intention not to renew will be delivered to the group Policyholder at least 45 days before Premium is due.

The Company is not liable to pay any benefits for services, including those predetermined, which are performed after the Termination Date of a Member’s coverage or of the Group Policy.

ADDENDUM

TO

GROUP POLICY AND CERTIFICATE OF INSURANCE

This Addendum is effective on the Effective Date as stated in the Group Policy and attached to and made part of the Group Policy and Certificate of Insurance.

The following language is added to the Group Policy and Certificate of Insurance:

The Company uses Maximum Allowable Charge schedules to determine claim payments. Payment is the lesser of the dentist's submitted charge or the Maximum Allowable Charge.

Maximum Allowable Charges for Covered Services are determined by geographical area of the dental office. The Maximum Allowable Charges in the geographical area of the dental office are used to calculate the Company's payment on claims. Maximum Allowable Charges are reviewed periodically and adjusted as appropriate to reflect increased dentist fees within the geographical areas. Participating Dentists accept their contracted Maximum Allowable Charges as payment in full for Covered Services.

2. LENS 123®

Lens 123® is a mail order program that allows you to enjoy the guaranteed lowest prices on replacement contact lenses—save up to 60% off retail prices. Members can conveniently call 1-800-LENS123 with a current prescription for this value-added service. The Lens 123® contact lens replacement program is endorsed by the industry's major manufacturers.

3. LASER VISION CORRECTION

Davis Vision’s Laser Vision Correction program provides substantial discounts on laser vision correction procedures. Members are entitled to savings of up to 25% off usual and customary fees or a 5% discount off a center’s advertised special through a network of preeminent physicians affiliated with Eye Centers of Excellence. (Some centers provide a flat fee equating to these discount levels.) See below for information on finding a participating laser vision provider near you.

HOW THE DISCOUNT PROGRAM WORKS WITH YOUR PLAN

You may choose from a list of Davis Vision contracted private practice providers or contracted retail locations for discounts on eyewear. If you already have a vision examination benefit as part of your health plan, you may use a network provider in your health plan network for your examination. Then use a Davis Vision contracted provider for your eyewear purchases (eyeglasses, etc.) and maximize your savings (you should verify whether or not the Davis Vision provider accepts outside prescriptions prior to your appointment).
