

# Internship Registration Reminders and Learning Agreement

All students registering an internship for credit are required to review the Internship/Experiential Education Policies and Guidelines document found in the Career Center or at [www.msmary.edu/credit-internships](http://www.msmary.edu/credit-internships). The information listed here is meant to offer brief reminders of certain items. Please refer to the Career Center office and website, or consult with the Internship Coordinator for all internship registration deadlines, required items, and additional information.

## Undergraduate Eligibility Requirements for a Credit-Based Internship

- Have a cumulative GPA of 2.5 or higher.
- Meet the academic department internship prerequisites.
- Not be on academic or disciplinary probation.
- **Undergraduate students** - must have earned at least 45 credits.
- In special cases, students may seek a waiver of an above requirement if they have officially designated their major and have obtained permission from the Associate Provost.
- **Transfer students and accelerated students** - must have successfully completed at least one full-time semester at the Mount prior to the start of the internship experience. **Continuing Education and Warriors to Workforce students** - may register no more than 18 total semester credits during the same time period of an internship.
- **International students** - must check with their Department Chair or Program Director for eligibility.

## Graduate Eligibility Requirements

- **Graduate students** - must have a cumulative GPA of at least 3.0 and must talk with advisor to ensure internship will count towards the degree program.

## Credit Considerations and Tuition

- Internships for credit are considered a course; as such, credits earned through an internship require tuition in accordance to university policies.
- Credits earned during a regular semester as part of the full-time, 16-hour credit maximum are not billed separately. Credits earned in excess of 16 credit hours are billed at the supplemental tuition rate and require permission from the Associate Provost (*see Overload Credits*).
- Summer semester is a distinct term. All credits earned for this period are billed at the summer school rate and will include a comprehensive fee. In addition to the Learning Agreement, **undergraduate students** must complete a Registration Form for internships taken during the summer. **Graduate students and Continuing Education** students must submit their registration online in addition to submitting the Learning Agreement.

## Internship Requirements

Students are required to complete the following items before and during the internship experience:

### **Before Internship**

- Review the Internship/Experiential Education Policies and Guidelines at [www.msmary.edu/credit-internships](http://www.msmary.edu/credit-internships).
- Complete a Credit-Based Internship Learning Agreement (pages 3-4 of this document):
  1. Secure an internship.
  2. Discuss internship plans and complete the Learning Agreement together with the site supervisor and faculty sponsor, discussing internship projects, learning goals, and grading criteria.
  3. Ensure all sections and signatures of the Learning Agreement are accurate and complete.
  4. Submit the Learning Agreement to the Career Center by the registration deadline date.
- **Summer Internships** - submit a summer registration form (provided online by Registrar's Office) with tuition payment.
- **Overload Credits (if applicable)** - obtain permissions and pay tuition.

### **During Internship**

- Accept the Internship Packet and complete all assignments detailed in the Learning Agreement.
- Submit proof of completing the workplace harassment training.
- Complete a work hours log, along with mid-term and final sets of reports and evaluations (together with supervisor), during the course of the internship. These forms are provided by the Career Center at the beginning of the internship.
