From Orientation to Graduation: Helping First-Generation* Mountaineers Succeed
Let's celebrate this awesome moment and share tips, important vocabulary, and resources to
make this new journey successful.

*A first-generation college student is defined as a student whose parent (s)/ legal guardian(s)
have not completed a bachelor's degree. This means that you are the first in your family to attend
a four-year university to attain a bachelor's degree. Being first-generation is a very proud
accomplishment.
